

US 160 Hawkins signal and ADA ramps project starts July 27

PROJECT OVERVIEW

The Colorado Department of Transportation and contract partner Four Corners Materials will begin the US 160 Hawkins signal and Americans with Disabilities Act ramps project on Monday, July 27. Work will take place along US Highway 160/Main Street in Cortez at the following intersections: Maple St., Linden St., Washington St., Madison St., Harrison St., Park St., Mildred Rd., Sligo St. and Hawkins St.

Work will include installation of a traffic signal at the intersection of US 160/Main St. and Hawkins St. and the enhancement of 34 ADA compliant curb ramps. These ramps will be in compliance with the Public Right of Way Accessibility Guidelines requirements. Additional work will include improvements to curb, gutter, and sidewalks.

PROJECT SCHEDULE

Work is scheduled to begin on Monday, July 27 and is expected to last until December. Normal working hours will be 7 a.m. to 7 p.m., Monday through Friday.

TRAVEL IMPACTS

- Shoulder closures, intermittent single lane closures and intermittent side street closures.
- Traffic control will be present.
